

# Win Paid Time off With Our Sauna Intensive Contest!

Contest Will Run 4/1/2021 - 4/30/2021

## Who can participate?

- This contest is open to all part-time and full-time employees!

## How does it work?

- We will track how many Sauna Intensives each employee sells. The more you sell, the more you win!

## Prizes:

- If you sell five sauna intensives, you will win four hours of PTO.
- If you sell ten sauna intensives, you will win eight hours of PTO.
- If you sell fifteen sauna intensives, you will win twelve hours of PTO.
- If you sell twenty sauna intensives, you will win sixteen hours of PTO.

## How can I track my progress?

- A virtual tracker will be available on the Employee Portal so you can check your progress.

## Special Notes:

- To mark a sale as your own, you must have recommended the intensive to the client and helped them decide to purchase it (same as product commission).
- If a client who regularly purchases the Sauna Intensive buys a new one, that doesn't count towards your sales.
